The Issues

LPT housing issues.

What we want is to reach Lincoln Park Tenants and others on how we have to stay in-tune with all that is happening around you, like all the good things that have happened.

Building Maintenance

Our building has been changed around with painting and new floors in our halls. Some tenants received new refrigerators and stoves, also all tenants had blinds put in their window, and it makes your apartment look much better

Building Management Relations

Our manager is trying hard to help us with food she makes for the birthday parties, she tries hard to make things go smoothly, but as usual there some things beyond her control. Yet she's a very nice person and tries to work well with all of the tenants.

Tenant Relations

We do have some nice tenants that try to get along with everyone, and as usual there are some bad elements within the building which are being addressed. All in all a quiet atmosphere.

Tenant Activities

Every month we celebrate the tenants birthdays by having a party for them. Just this month we had a Thanksgiving party which was very nice indeed. Everyone seemed to really enjoy it, not just the food but each other.

Upcoming Event:/Dec. 20,2002, there will be a Bake Sale for HUD and a Christmas Party for all the Tenants of Lincoln Park Towers, come one, come all.

Our seniors are scheduled to visit these places if they wish to: Reservations must be made by Dec.2,2002.
